WHO WE ARE

LEARNING AVENUES: FROM HEART TO HOME

Learning Avenues, a philanthropic 501(c)(3) branch of Adoption Avenues Agency, creates and supports cultural connections between families and individuals in the United States and children around the world.

WHAT WE DO

LEARNING AVENUES:

- **builds instructional language skills that address the needs of orphaned children
- **impacts international adoptions by building bridges between family and child
- **eases the transition for all through language instruction
- **provides opportunities for all to connect with and impact children in need

"You shouldn't go through life with a catcher's mitt on both hands; you need to be able to throw something back."
~Dr. Maya Angelou

We hope that the same children who inspired us will inspire you to take off YOUR catcher's mitt and join us in connecting with and supporting children worldwide.

NEWS

WE ARE CONSTANTLY GROWING

We have two centers operating now and are seeking to expand to increase the impact of our programs, participants, and sponsors worldwide. We are currently in Ethiopia and Columbia and with your help will continue to grow and touch the lives of millions of children.

Three Pillars of Learning Avenues:

- English Language Instruction
- Foreign Language Instruction
- Child Sponsorships & Pen Pal Program

Every child deserves to know that someone is attached to them and cares about them. Each of our three pillars offers those caring connections and offers you the opportunity to become that someone.

YOU WERE BORN WITH THE ABILITY TO CHANGE SOMEONE ELSE'S LIFE...
